Subject: Attendance confirmation — AI Engineers Meetup Bangkok, 26 December 2026

Dear Ek,

I would like to attend the AI Engineers Meetup Bangkok on Saturday, 26 December 2026 (10:00–13:00 ICT) at SCBX NEXT TECH, 4th Floor, Siam Paragon. I will be in Bangkok in late December 2026, and the weekly session's focus on trying out the latest AI tools is closely related to my professional interests.

Because I am traveling internationally, I would be grateful for a short letter, or a written message through Meetup or by email, confirming the event details below and that I am welcome to attend. I understand this is a free community meetup and that the group may not normally provide letters, so a brief written confirmation of these facts would be entirely sufficient. I will be traveling with Codruta Costea, who is submitting a separate request under their own name.

I will cover all of my own travel, accommodation and other costs. I am asking only for a statement of the facts listed below, not for any sponsorship or financial undertaking.
