Subject: Visa invitation letter request — MAIXPO 2026, Kuala Lumpur, 29–30 December 2026

Dear MAIXPO Team,

Following the procedure published on the MAIXPO website, I am requesting a formal invitation letter for MAIXPO 2026 — AI Marketing Conference & Expo, taking place in Kuala Lumpur, Malaysia, on 29–30 December 2026. I intend to attend in person on both days.

The details your website asks for (full name, passport number, nationality and country of application) are set out below, together with my ticket details. I understand that invitation letters are issued only to confirmed ticket holders. I will be traveling with Sebastian-Eugen Buzdugan, who is submitting a separate request under their own name.

As the venue has not yet been announced, I would also be grateful if the letter, or a follow-up message, could include the venue address once it is confirmed. I will cover all of my own travel, accommodation and ticket costs.
